

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MISSOURI
EASTERN DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

v.

WILBERT CLARK,

Defendant.

NO. 4:24CR00139 HEA

GUILTY-PLEA AGREEMENT

Come now the parties and hereby agree, as follows:

1. PARTIES:

The parties are the defendant Wilbert Clark, represented by defense counsel Terence Niehoff, and the United States of America (hereinafter "United States" or "Government"), represented by the Office of the United States Attorney for the Eastern District of Missouri. This agreement does not, and is not intended to, bind any governmental office or agency other than the United States Attorney for the Eastern District of Missouri. The Court is neither a party to nor bound by this agreement.

2. GUILTY PLEA:

A. The Plea: Pursuant to Rule 11(c)(1)(A), of the Federal Rules of Criminal Procedure, in exchange for the Defendant's voluntary plea of guilty to Count One of the Indictment, the United States agrees that no further federal prosecution will be brought in this District relative to Defendant's violations of federal law, known to the United States at this time, arising out of the events set forth in the Indictment.

The defendant also agrees, pursuant to the guilty plea to Count One, to forfeit to the United States all property subject to forfeiture under the applicable statute(s), including but not limited to: a Sig Sauer P365 9mm semi-automatic pistol bearing serial number 66F445807, a Glock 19 Gen5 9mm semi-automatic pistol bearing serial number BSKS458, magazines and ammunition.

B. The Sentence: The parties agree that the recommendations contained herein fairly and accurately set forth some guidelines that may be applicable to this case. The parties further agree that either party may request a sentence above or below the U.S. Sentencing Guidelines range (combination of Total Offense Level and Criminal History Category) ultimately determined by the Court pursuant to any chapter of the Guidelines, Title 18, United States Code, Section 3553, or any other provision or rule of law not addressed herein. The parties further agree that notice of any such request will be given no later than ten (10) days prior to sentencing and that said notice shall specify the legal and factual bases for the request. The parties understand that the Court is neither a party to nor bound by the Guidelines recommendations agreed to in this document.

3. ELEMENTS:

As to Count One, the Defendant admits to knowingly violating Title 18, United States Code, Section 922(g)(1), and admits there is a factual basis for the plea and further fully understands that the elements of the crime are as follows:

- (i) The Defendant had been convicted of a crime punishable by imprisonment for a term exceeding one year;
- (ii) The Defendant thereafter knowingly possessed a firearm;
- (iii) The firearm was transported across a state line at some point during or before the

Defendant's possession of it, and

- (iv) At the time defendant possessed the firearm, defendant knew he had been convicted of a felony; that is, a crime punishable by imprisonment for a term exceeding one year.

4. **FACTS:**

The parties agree that the facts in this case are as follows and that the United States would prove these facts beyond a reasonable doubt if the case were to go to trial. These facts may be considered as relevant conduct pursuant to Section 1B1.3:

On or about January 30, 2024, in the City of St. Louis, within the Eastern District of Missouri, Defendant, having been convicted previously of a felony crime punishable by a term of imprisonment exceeding one year, knowingly possessed a firearm, which traveled in interstate or foreign commerce during or prior to being in Defendant's possession.

On that date, officers with the St. Louis Metropolitan Police Department initiated a traffic stop of a black Audi A6 with heavily tinted windows. The officers made contact with the driver, later identified as Defendant, and observed a large plastic bag of suspected marijuana on the rear floorboard. Defendant was asked to step out of the vehicle and refused to comply as he rolled up the window. Another officer placed spike strips under Defendant's vehicle and he was advised that he was being placed under arrest and was again directed to step out of the vehicle at which time he fled the scene and in doing so ran over the spike strips. While fleeing Defendant was involved in an accident and fled his disabled vehicle on foot with police in pursuit.

Defendant was eventually detained, placed in handcuffs and advised of his rights per the *Miranda* decision. Search incident to arrest revealed a pistol holster in his waistband and a

baggie with numerous multi-colored tablets in his right jacket pocket. A search of the vehicle revealed a Sig Sauer P365x Macro 9mm semi-automatic pistol with a large capacity (17 round) magazine on the driver's side front floorboard, a stolen Glock 19 9mm semi-automatic attached to a MCK Micro Conversion Kit with a large capacity (50 round drum) magazine on the passenger side front floorboard and a baggie containing multi-colored tablets in the center console. The multi-colored tablets in located in Defendant' jacket pocket and center console tested positive for methamphetamine (total weight 49.76 grams). The suspected marijuana tested positive for marijuana (total weight 784.73 grams). Defendant advised that he fled because of the contraband in the vehicle and stated that the Sig Saur belonged to him for protection and that the Glock belonged to his cousin who left it in his vehicle.

The Defendant admits to knowing possession of the firearms. The firearms were manufactured outside the State of Missouri, and, therefore, the firearms had been transported across state lines and in interstate commerce prior to or during Defendant's possession. The guns also meet the definition of firearm under 18 U.S.C. § 921(a)(3) in that they can expel a projectile by the action of an explosive, or are designed to or may readily be converted to expel a projectile by the action of an explosive, and therefore are firearms as defined under federal law.

Prior to January 30, 2024, Defendant was convicted of at least one felony crime punishable by imprisonment for a term exceeding one year. At the time Defendant knowingly possessed the firearm, he knew he was a convicted felon.

Defendant further stipulates and agrees that Defendant possessed the methamphetamine located in Defendant's jacket pocket and center console and for purposes of sentencing, the defendant possessed the methamphetamine in relation to his possession of the firearms.

5. STATUTORY PENALTIES:

The Defendant fully understands that the maximum possible penalty provided by law for the crime to which the Defendant is pleading guilty is imprisonment of not more than fifteen years, a fine of not more than \$250,000, or both such imprisonment and fine. The Court also may impose a period of supervised release of not more than three years.

In certain situations, under Title 18, United States Code, Section 924(e)(Armed Career Criminal), Defendant may be subject to a mandatory minimum sentence of imprisonment of fifteen (15) years and a maximum of life, a fine of not more than \$250,000, or both such imprisonment and fine, and a term of supervised release of not more than five years. The Defendant is pleading guilty with full knowledge of these possibilities, has discussed these possibilities with counsel and will not be able to withdraw the guilty plea if the Court determines the foregoing statute applies to Defendant's sentence.

6. U.S. SENTENCING GUIDELINES: 2023 MANUAL

The Defendant understands that this offense is affected by the U.S. Sentencing Guidelines and the actual sentencing range is determined by both the Total Offense Level and the Criminal History Category. The parties agree that the following are the U.S. Sentencing Guidelines Total Offense Level provisions that apply.

A. Chapter 2 Offense Conduct:

i. **Base Offense Level:** The parties agree that the Base Offense Level is found in Section 2K2.1(a) and depends on, among other things, the nature of the Defendant's criminal history and the characteristics of the firearm. The Base Offense Level may also be determined under Section 4B1.4 if Defendant is determined to be an Armed Career Criminal.

ii. **Specific Offense Characteristics:** The parties agree that the following Specific Offense Characteristics apply: : Two levels should be added pursuant to Section 2K2.1(b)(4)(A) because one or more of the firearms was stolen and four levels should be added pursuant to Section 2K2.1(b)(6)(B) because one or more of the firearms was possessed in connection with another felony offense.

B. Chapter 3 Adjustments:

i. **Reckless Endangerment During Flight:** The parties agree that Two (2) levels should be added pursuant to Section 3C1.2 because Defendant recklessly created a substantial risk of death or serious bodily injury to another person in the course of fleeing from a law enforcement officer.

ii. **Acceptance of Responsibility:** The parties recommend that two levels should be deducted pursuant to Sentencing Guidelines Section 3E1.1(a) because Defendant has clearly demonstrated acceptance of responsibility. If the deduction pursuant to Sentencing Guidelines Section 3E1.1(a) is applied and the offense level determined prior to the operation of Section 3E1.1(a) is a level 16 or greater, then the United States moves to deduct one additional level pursuant to Sentencing Guidelines Section 3E1.1(b)(2), because Defendant timely notified authorities of the intention to enter a plea of guilty, thereby permitting the United States to avoid preparing for trial and permitting the Court to allocate its resources efficiently.

The parties agree that if Defendant does not abide by all of the agreements made within this document, Defendant's failure to comply is grounds for the loss of acceptance of responsibility pursuant to Sentencing Guidelines Section 3E1.1. The parties further agree that Defendant's eligibility for a reduction pursuant to Sentencing Guidelines Section 3E1.1 is based upon the

information known at the present time and that any actions of Defendant which occur or which become known to the United States subsequent to this agreement and are inconsistent with Defendant's acceptance of responsibility including, but not limited to criminal conduct, are grounds for the loss of acceptance of responsibility pursuant to Sentencing Guidelines Section 3E1.1. In any event, the parties agree that all of the remaining provisions of this agreement remain valid and in full force and effect.

C. **Estimated Total Offense Level:** The parties agree that the Total Offense Level will depend on the Base Offense Level determined pursuant to Section 2K2.1(a), along with other relevant factors stated above, unless Defendant is an Armed Career Criminal. Depending on the underlying offense and Defendant's criminal history, Defendant could be an Armed Career Criminal pursuant to Title 18, United States Code, Section 924(e) and Section 4B1.4. If the Court finds Defendant is an Armed Career Criminal, the Total Offense Level may be higher and the Criminal History Category may be as high as Category VI. Defendant has discussed these possibilities with defense counsel. Both parties reserve the right to argue that the Defendant is or is not an Armed Career Criminal.

D. **Criminal History:** The determination of the Defendant's Criminal History Category shall be left to the Court. Either party may challenge, before and at sentencing, the finding of the Presentence Report as to the Defendant's criminal history and the applicable category. The Defendant's criminal history is known to the Defendant and is substantially available in the Pretrial Services Report.

E. **Effect of Parties' U.S. Sentencing Guidelines Analysis:** The parties agree that the Court is not bound by the Guidelines analysis agreed to herein. The parties may not have foreseen

all applicable Guidelines. The Court may, in its discretion, apply or not apply any Guideline despite the agreement herein and the parties shall not be permitted to withdraw from the plea agreement.

7. **WAIVER OF APPEAL AND POST-CONVICTION RIGHTS:**

A. **Appeal:** The Defendant has been fully apprised by defense counsel of the Defendant's rights concerning appeal and fully understands the right to appeal the sentence under Title 18, United States Code, Section 3742.

i. **Non-Sentencing Issues:** The parties waive all rights to appeal all non-jurisdictional, non-sentencing issues, including, but not limited to, any issues relating to pretrial motions, discovery and the guilty plea.

ii. **Sentencing Issues:** In the event the Court accepts the plea and, after determining a Sentencing Guidelines range, sentences the Defendant within or below that range, then, as part of this agreement, the Defendant hereby waives all rights to appeal all sentencing issues other than Criminal History, as it relates to both Base Offense Level and Criminal History Category. Similarly, the United States hereby waives all rights to appeal all sentencing issues other than Criminal History, provided the Court accepts the plea and sentences the Defendant within or above the determined Sentencing Guidelines range.

B. **Habeas Corpus:** The Defendant agrees to waive all rights to contest the conviction or sentence in any post-conviction proceeding, including one pursuant to Title 28, United States Code, Section 2255, except for claims of prosecutorial misconduct or ineffective assistance of counsel.

C. **Right to Records:** The Defendant waives all rights, whether asserted directly or by a representative, to request from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including any records that may be sought under the Freedom of Information Act, Title 5, United States Code, Section 522, or the Privacy Act, Title 5, United States Code, Section 552(a).

8. **OTHER:**

A. **Disclosures Required by the United States Probation Office:** The Defendant agrees to truthfully complete and sign forms as required by the United States Probation Office prior to sentencing and consents to the release of these forms and any supporting documentation by the United States Probation Office to the United States.

B. **Civil or Administrative Actions not Barred; Effect on Other Governmental Agencies:** Nothing contained herein limits the rights and authority of the United States to take any civil, tax, immigration/deportation or administrative action against the Defendant.

C. **Supervised Release:** Pursuant to any supervised release term, the Court will impose standard conditions upon the Defendant and may impose special conditions related to the crime Defendant committed. These conditions will be restrictions on the Defendant to which the Defendant will be required to adhere. Violation of the conditions of supervised release resulting in revocation may require the Defendant to serve a term of imprisonment equal to the length of the term of supervised release, but not greater than the term set forth in Title 18, United States Code, Section 3583(e)(3), without credit for the time served after release. The Defendant understands that parole has been abolished.

D. **Mandatory Special Assessment:** This offense is subject to the provisions of the

Criminal Fines Improvement Act of 1987 and the Court is required to impose a mandatory special assessment of \$100 per count for a total of \$100, which the Defendant agrees to pay at the time of sentencing. Money paid by the Defendant toward any restitution or fine imposed by the Court shall be first used to pay any unpaid mandatory special assessment.

E. **Possibility of Detention:** The Defendant may be subject to immediate detention pursuant to the provisions of Title 18, United States Code, Section 3143.

F. **Fines and Costs of Incarceration and Supervision:** The Court may impose a fine, costs of incarceration, and costs of supervision. The Defendant agrees that any fine imposed by the Court will be due and payable immediately.

G. **Forfeiture:** The defendant knowingly and voluntarily waives any right, title, and interest in all items seized by law enforcement officials during the course of their investigation, whether or not they are subject to forfeiture, and agrees not to contest the vesting of title of such items in the United States. The defendant agrees to abandon [his/her] interest in all seized items, and further agrees that said items may be disposed of or destroyed by law enforcement officials in any manner without further notice. By abandoning these items, the defendant waives any future rights to receive additional notice, a valuation of the items, or the opportunity to submit a claim to contest the disposition or destruction of the items that may exist under any policies or procedures of the seizing agency(ies).

The defendant agrees the stipulated facts above are sufficient to support forfeiture of certain assets pursuant to the applicable forfeiture authorities. Defendant specifically agrees to the forfeiture of the following: a Sig Sauer P365 9mm semi-automatic pistol bearing serial number 66F445807, a Glock 19 Gen5 9mm semi-automatic pistol bearing serial number

BSKS458, magazines and ammunition. The defendant agrees the Court may enter a consent preliminary order of forfeiture any time before sentencing, and such Order will become final as to the defendant when it is issued and will be part of the sentence. The defendant agrees not to object to any administrative, civil or criminal forfeiture brought against any assets subject to forfeiture. The defendant will execute any documents and take all steps needed to transfer title or ownership of said assets to the government and/or to rebut the claims of nominees and/or alleged third party owners. The defendant knowingly and intelligently waives all constitutional, statutory and equitable challenges to any forfeiture carried out in accordance with this plea agreement, including but not limited to that defendant was not given adequate notice of forfeiture in the charging instrument.

9. **ACKNOWLEDGMENT AND WAIVER OF THE DEFENDANT'S RIGHTS:**

In pleading guilty, the Defendant acknowledges, fully understands and hereby waives his rights, including but not limited to: the right to plead not guilty to the charges; the right to be tried by a jury in a public and speedy trial; the right to file pretrial motions, including motions to suppress or exclude evidence; the right at such trial to a presumption of innocence; the right to require the United States to prove the elements of the offenses charged against the Defendant beyond a reasonable doubt; the right not to testify; the right not to present any evidence; the right to be protected from compelled self-incrimination; the right at trial to confront and cross-examine adverse witnesses; the right to testify and present evidence and the right to compel the attendance of witnesses. The Defendant further understands that by this guilty plea, the Defendant expressly waives all the rights set forth in this paragraph.

The Defendant fully understands that the Defendant has the right to be represented by

counsel, and if necessary, to have the Court appoint counsel at trial and at every other stage of the proceeding. The Defendant's counsel has explained these rights and the consequences of the waiver of these rights. The Defendant fully understands that, as a result of the guilty plea, no trial will, in fact, occur and that the only action remaining to be taken in this case is the imposition of the sentence.

The Defendant is fully satisfied with the representation received from defense counsel. The Defendant has reviewed the United States' evidence and discussed the United States' case and all possible defenses and defense witnesses with defense counsel. Defense counsel has completely and satisfactorily explored all areas which the Defendant has requested relative to the United States' case and any defenses.

10. VOLUNTARY NATURE OF THE GUILTY PLEA AND PLEA AGREEMENT:

This document constitutes the entire agreement between the Defendant and the United States, and no other promises or inducements have been made, directly or indirectly, by any agent of the United States, including any Department of Justice attorney, concerning any plea to be entered in this case. In addition, the Defendant states that no person has, directly or indirectly, threatened or coerced the Defendant to do or refrain from doing anything in connection with any aspect of this case, including entering a plea of guilty.

The Defendant acknowledges having voluntarily entered into both the plea agreement and the guilty plea. The Defendant further acknowledges that this guilty plea is made of the Defendant's own free will and that the Defendant is, in fact, guilty.

11. CONSEQUENCES OF POST-PLEA MISCONDUCT:

After pleading guilty and before sentencing, if Defendant commits any crime, other than

minor traffic offenses, violates any conditions of release that results in revocation, violates any term of this guilty-plea agreement, intentionally provides misleading, incomplete or untruthful information to the U.S. Probation Office or fails to appear for sentencing, the United States, at its option, may be released from its obligations under this agreement. The United States may also, in its discretion, proceed with this agreement and may advocate for any sentencing position supported by the facts, including but not limited to obstruction of justice and denial of acceptance of responsibility.

12. NO RIGHT TO WITHDRAW GUILTY PLEA:

Pursuant to Rule 11(c) and (d), Federal Rules of Criminal Procedure, the Defendant understands that there will be no right to withdraw the plea entered under this agreement, except where the Court rejects those portions of the plea agreement which deal with charges the United States agrees to dismiss or not to bring.
